

VBJC Points

January - December 2015

What are VBJC Points:

VBJC stands for Virginia Beach Jaycees. To encourage participation and to reward activity in our chapter, we are implementing the VBJC Point system. Members acquire points each time they attend or participate in a chapter activity or even another chapter's activities in the way of visitations or community work. Points are totaled for each month with a maximum of 50 pts each month that may be carried over to a members account total.

What are my points worth?

Members can redeem these points for awards such as chapter t-shirts (50 Pts), a free drink at chapter meetings (15 Pts), even discount on your dues (100 pts).

Additionally, the BOD will utilize the points when determining the Volunteer of the Month, Quarter and Year.

How to Earn Points!

Become a Member	10
Attend a Chapter Meeting	3
